

PERMISSION TO PUBLISH STUDENT PHOTOGRAPHS, VISUAL IMAGES, ACHIEVEMENTS, ACTIVITIES & WORK SAMPLES

From time to time, it is desirable to publish photographs and/or video images and work samples of our student's activities and achievements for a variety of reasons, including:

- ❖ Educational purposes (especially in regard to the Australian Curriculum).
- ❖ For the purpose of college/public relations.

Photographs, visual images, achievements, activities and work samples may be published in a number of different forums around the college, in the College Newsletter, Magazine, College website etc.

At no stage will personal details other than the child's name be used. If greater detail is necessary, parents will be consulted.

Please sign the permission slip below and return the entire form. This will be kept on file for the duration of your child's education at St John Bosco College. If you have any questions, please contact the Principal.
